VEKTOR is the indicator of the communication with investors for listed companies and was calculated by ARIR for the first time in 2019. Starting with 2022, the VEKTOR indicator is published annually also for companies from AeRO Market.

Disclaimer:

The VEKTOR indicator is calculated by the Romanian Investor Relations Association according to the [published methodology](#), based on available public information. VEKTOR indicator aims to promote proactive practices in the communication of listed companies with investors, without assessing compliance with regulatory obligations and does not constitute a recommendation on the basis of which to make the investment decision.
